

BROMPTON PRIMARY SCHOOL

No. 2

Term 1 Week 4

2022

Dear families,

We were so excited to have all of our students back at school this week.

The uncharacteristic start to the year that we have had, only reinforced how important it is to have updated your details such as phone numbers, email addresses and emergency contacts.

I would like to thank all the parents/caregivers who supported their child/ren with their remote learning as we fully appreciate the learning curve we have all had over the last few weeks. It is reassuring to see how comfortable our students are with remote learning and know they will be able to continue to transfer their newly learned skills back into the classroom as they reconnect with everyone at Brompton PS.

BPS ANNUAL GENERAL MEETING THURSDAY 3RD MARCH 2022 @ 6.00PM.

The Annual General Meeting must be held annually. It is where the previous year highlights are presented, as well as the Annual Report. Parents are also elected to Governing Council. I encourage interested parents to consider becoming involved in the school operations. Governing Councils work with the principal to help set and monitor the direction of the school. They work to: · involve the local community · develop and approve local policies · set the broad direction and vision of the site · monitor and review the site improvement plan · be the employing authority of some services, including OSHC. **Due TO COVID Restrictions families need to RSVP.**

Please refer to the Term Planner published in our newsletter, for updated events happening across the school. Any changes will be communicated via our newsletters, Class Dojo and Skoolbag app. Hard copies of newsletter/ notes will be available in the front office but please be aware that a hard copy will not always be used. In line with environmentally friendly practice, we aim to minimise our use of paper and printing. If you are having difficulty accessing information please contact the office for details.

School Card applications for 2022 are open, forms are available via the School Card scheme page on the SA GOV website. Please see Amanda or Oksana in the front office, for assistance if you are having trouble applying.

Starting the Year in Room 2

Year 5/6 : Amy Grant

Despite a different start to the school year, we are all now in the classroom together. We have spent time setting up our class norms and expectations so we are ready to learn together.

Every morning we begin the day with Brain Games. It can be a puzzle, a riddle, or something that makes us think in a different way. This helps us make sure we are ready to focus for learning.

We are creating presentations about an own choice topic which we can share with the class. This will help us work on our research skills, and public speaking. We are able to share something that interests us with our peers.

Both at home and at school, we have been encouraged to read outside.

We call this "treading" - a play on the words tree and reading. We have put in requests to increase our class library to ensure everyone always has something to read.

For Visual Art we have created illustrations that

represent us and our interests.

These will then be combined to make a class artwork of which we have all contributed, much like

we will all contribute to our learning environment throughout the year.

This term, all students at Brompton Primary School will be participating in a Drama Program with Footsteps. Since 1995, Footsteps has taught throughout Australia and New Zealand focusing on the creative, fun and engaging connection between student and drama.

The cost for the program is \$20.00 per student. **However, there will be no charge to families.** Brompton PS will be covering the cost of all student participation.

Please complete the permission sent home last week and return it to the front office by Friday 25th February 2022.

Please tear off and return your selected Nomination Form to school by Monday 28th February 2022

BPS SCHOOL FEES

Members of the Governing Council are elected to represent the whole school community in understanding local educational needs setting broad directions for the school or preschool monitoring and reporting achievement. Each member brings a different and valued perspective. If elected as a member of Council you will be able to be part of the governing life of the school.

If you are interested in nominating a parent member or self nominating, please fill in the appropriate nomination form and return to school.
